Hamilton tilt in space

Dual motor

Independent control of both back and foot rest functions to fully control your position and comfort

Single motor

Controls the backrest and footrest at the same time, so when you recline, the back and the footrest automatically rise to support your legs.

Size	Seat			Overall		
	Height	Width	Depth	Width	Height	Depth
Petite	17" -22" (43-56cm)	18" (46cm)	18½" (47cm)	29" (74cm)	40½" (103cm)	35" (89cm)
Standard	17" -22" (43-56cm)	20" (51cm)	20" (51cm)	33" (84cm)	44" (112cm)	37" (94cm)
Grande	18" -23" (45-58cm)	22" (56cm)	20½" (52cm)	35" (89cm)	45" (114cm)	38" (96cm)
